## Tuition and Fees Policies

- A registration fee of \$100 per child (or \$150 per family) and advance payment of the first week of a child's regular tuition are required to hold a spot in a TLC classroom. The advance payment will cover the tuition cost of the child's first week at TLC. Registration fee and advance payment of first week's tuition are non-refundable.
- TLC has an Extra Day rate of \$125 per day for currently enrolled families, who desire to have their child attend TLC on a day outside their regular enrollment schedule. Extra Days must be scheduled at least one week in advance with the TLC Director and are dependent on space available in the child's classroom.
- Four weeks written notice is required for withdrawal for any reason with tuition charged as scheduled through the child's final week.
- TLC offers a Family/Sibling Discount of 5% off the Full Time 5 day and 4 day tuition rates (Part Time rates are not eligible). When a family enrolls two or more children at the same time, the Family/Sibling Discount will be applied to all enrolled children except for the youngest.
- TLC offers a Discount of 10% off the Full Time 5 day and 4 day tuition rates (Part Time rates are not eligible) for members of Christ Memorial Lutheran Church. This discount cannot be combined with the Family/Sibling Discount.
- TLC has a 4-star Parent Aware rating through the MN Department of Human Services and welcomes families who have CCAP funding and/or Early Learning Scholarships.
- TLC has a One Day rate (Infant = \$275, Toddler = \$250, Preschool = \$200) and an Hourly rate (Infant = \$28, Toddler = \$26, Preschool = \$21) that is subject to available space and director approval.
